

INTERNATIONAL OVERDOSE AWARENESS DAY

18 NEW YORKERS LOST EVERY DAY

AWARENESS IS NOT ENOUGH. WE DEMAND ACTION.

THE WAR ON DRUGS IS A WAR ON PEOPLE. FOR 50+ YEARS, IT HAS CAUSED SURGING PREVENTABLE DEATHS, WHILE DESTROYING, DESTABILIZING AND CRIMINALIZING BLACK, BROWN & LOW-INCOME COMMUNITIES.

NEW YORK'S OFFICE OF SPECIAL NARCOTICS PROSECUTOR - THE ONLY OFFICE OF ITS KIND IN THE COUNTRY - SENDS THOUSANDS OF PEOPLE TO PRISONS AND JAILS A YEAR. THE OFFICE REMAINS A HORRIFIC SYMBOL OF DRACONIAN ERA, INCLUDING THE OPPOSITION TO OVERDOSE PREVENTION CENTERS.

JOIN US TO DEMAND NEW YORK OFFICIALS DIVEST FROM SYSTEMS OF HARM AND DEATH, AND INSTEAD, INVEST IN EXPANDING LIFESAVING HARM REDUCTION, SOCIAL SERVICES AND CARE. #ENDOVERDOSENY
